THE AMERICAN ANNALS OF THE DEAF

- *Five issues a year.* Single subscription, \$5.00 a year. This includes the January number, a directory issue, which sells separately for \$3.00.
- *Parent Information Packet.* A packet containing six reprints on information pertinent for parents of deaf children. Price fifty cents.
- *Catalogue of publications on the education and welfare of the deaf.* A catalogue containing over 150 entries will be sent free on request.
- *Information Bureau.* Many requests for information concerning the deaf are received daily at the office of the ANNALS from all over the world. Having access to the division on the education of the deaf at the Edward Minor Gallaudet College Library facilitates the answering of such letters.

All communications should be addressed to the

Editor
